Thread Class:

Zb

Thread Direction:

Right-hand

Pilot Diameter:

Between 0.160 inches and 0.165 inches

Counterbore Diameter:

0.115 inches base and 0.120 inches base

Nut Style:

Clinch

Nut Height:

0.250 inches

Nut Counterbore Depth:

0.250 inches base

Width Across Flats:

Between 0.177 inches and 0.197 inches

Thread Series:

Unc

Thready Qty Per Inch (tpi):

40

Thread Size:

0.112 inches

Special Features:

Tapered relief between body and hexagon head

Material:

Steel comp 303

Material Specification:

Astm a 582, cl 303, cond a assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A021a0
