Thread Direction:

Right-hand

Flange Diameter:

7.250 inches

Flange Thickness:

0.500 inches

Nut Style:

Sleeve

Nut Diameter:

4.750 inches

Nut Length:

4.125 inches

Cross-sectional Shape:

Round nut

Special Features:

4.751-8 thd 0.750 in lg, left hand on small end for mtg in. Drivegear

Material:

Copper alloy

Material Specification:

Qq-c-390, comp 903 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
