Hole Diameter:

0.203 inches

Outside Diameter:

0.500 inches

Recess Diameter:

0.387 inches

Material Thickness:

0.080 inches

Recess Angle:

100.0 degrees

Material:

Steel comp 303

Material Specification:

Qq-s-764 federal specification single material response

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
