Hole Diameter:

0.106 inches

Outside Diameter:

0.310 inches

Recess Diameter:

0.182 inches

Material Thickness:

0.055 inches

Recess Angle:

82.0 degrees

Material:

Steel comp 303

Material Specification:

Astm a582 assn standard single material response

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
