Hole Diameter:

1.750 inches

Outside Diameter:

2.688 inches

Internal Keyway Width:

0.188 inches

Distance From Centerline To Bottom Of Internal Keyway:

1.000 inches

Material Thickness:

0.125 inches

Features Provided:

Casehardened

Hardness Rating:

79.0 rockwell a

Material:

Steel

Material Specification:

Aisi c1008 assn standard 1st material response or aisi c1010 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
