Hole Diameter:

0.770 inches

Outside Diameter:

1.370 inches

Material Thickness:

0.062 inches

Product Name:

Navy special project

Material:

Plastic polytetrafluoroethylene

Material Specification:

Jdc-281-g fscm 22167 mfr ref single material response

Style Designator:

Split

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
