Hole Diameter:

1.259 inches

Outside Diameter:

2.039 inches

Overall Height:

0.110 inches

Material Thickness:

0.083 inches

Color:

Black

Material:

Steel comp 6150

Material Specification:

Qq-s-624 federal specification single material response

Surface Treatment:

Oxide film

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
