**Hole Diameter:**

0.234 inches

**Outside Diameter:**

0.625 inches

**Overall Height:**

0.125 inches

**Material Thickness:**

0.016 inches

**Product Name:**

Navy special project

**Material:**

Steel comp 1010

**Material Specification:**

Qq-s-633-canceled federal specification single material response

**Surface Treatment:**

Nickel

**Style Designator:**

Finishing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
