Hole Diameter:

0.570 inches

Outside Diameter:

0.840 inches

Overall Height:

0.040 inches

Material Thickness:

0.016 inches

Material:

Beryllium

Material Specification:

Qq-c-533 temper a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
