Hole Diameter:

Between 0.319 inches and 0.333 inches

Outside Diameter:

0.438 inches

Material Thickness:

0.0625 inches

Hardness Rating:

90.0 rockwell b

Material:

Copper alloy

Style Designator:

Split helical-right hand

Specification Or Standard:

E class and 1 or 2 style

Departure From Cited Designator:

As modified by od, material thk rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
