Hole Diameter:

2.670 inches

Outside Diameter:

2.870 inches

Overall Height:

Between 0.075 inches and 0.095 inches

Material Thickness:

0.032 inches

Material:

Copper alloy

Material Specification:

Qq-b-750, comp a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
