Hole Diameter:

Between 0.144 inches and 0.154 inches

Outside Diameter:

0.312 inches

Material Thickness:

0.032 inches

Recess Angle:

82.0 degrees

Material:

Steel comp 302

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
