Hole Diameter:

0.130 inches

Outside Diameter:

0.500 inches

Overall Height:

0.050 inches

Material Thickness:

0.010 inches

Product Name:

Navy special project

Material:

Copper alloy

Material Specification:

6522 fscm 94580 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
