Hole Diameter:

0.760 inches

Outside Diameter:

1.500 inches

Recess Diameter:

1.310 inches

Material Thickness:

0.360 inches

Recess Angle:

90.0 degrees

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
