Hole Diameter:

0.203 inches

Outside Diameter:

0.500 inches

Material Thickness:

Between 0.0578 inches and 0.069 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Style Designator:

Serrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
