Hole Diameter:

1.003 inches

Outside Diameter:

1.250 inches

Recess Diameter:

1.103 inches

Material Thickness:

0.060 inches

Recess Angle:

90.0 degrees

Product Name:

Navy special project

Material:

Copper alloy

Material Specification:

Mil-b-6940 military specification single material response

Surface Treatment:

Cadmium

Style Designator:

15 recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-b-6940 spec.
