Hole Diameter:

0.156 inches

Outside Diameter:

0.328 inches

Material Thickness:

0.012 inches

Material:

Steel

Material Specification:

Qq-s-766 cl 302, 304, 316 or 321 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Style Designator:

Split

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-f-14072 spec.
