**Hole Diameter:**

Between 0.630 inches and 0.646 inches

**Outside Diameter:**

Between 1.000 inches and 1.020 inches

**Material Thickness:**

0.118 inches

**Hardness Rating:**

44.0 rockwell c

**Special Features:**

Consist of the 1 and 2 halves

**Material:**

Steel comp 630

**Material Specification:**

Ams 5355 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
