Hole Diameter:

Between 0.515 inches and 0.525 inches

Outside Diameter:

0.750 inches

Overall Height:

0.100 inches

Material Thickness:

0.010 inches

Product Name:

Navy special project

Material:

Steel comp 301

Material Specification:

Ams5519 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
