**Hole Diameter:**

Between 0.515 inches and 0.525 inches

**Outside Diameter:**

0.750 inches

**Overall Height:**

0.100 inches

**Material Thickness:**

0.010 inches

**Product Name:**

Navy special project

**Material:**

Steel comp 301

**Material Specification:**

Ams5519 assn standard single material response

**Surface Treatment:**

Passivate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
