Hole Diameter:
Between 0.515 inches and 0.525 inches
Outside Diameter:
0.750 inches
Overall Height:
0.100 inches
Material Thickness:
0.010 inches
Product Name:
Navy special project
Material:
Steel comp 301
Material Specification:
Ams5519 assn standard single material response
Surface Treatment:
Passivate
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A022b0
