Hole Diameter:
Between 0.347 inches and 0.354 inches
Outside Diameter:
0.690 inches
Overall Height:
0.094 inches
Material Thickness:
0.013 inches
Color:
Black
Material:
Steel
Material Specification:
Mil-s-7947 cond 1 or 2 military specification single material response
Surface Treatment:
Oxide film
Style Designator:
Spring tension
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Filg:
A022b0
Mil-std (military Standard):
Mil-s-7947 spec.
