Hole Diameter:

0.144 inches

Outside Diameter:

0.344 inches

Overall Height:

0.058 inches

Material Thickness:

0.010 inches

Heat Treatment:

Annealed

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Style Designator:

Finishing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
