Hole Diameter:

0.252 inches

Outside Diameter:

0.750 inches

Overall Height:

0.117 inches

Recess Diameter:

0.507 inches

Material Thickness:

0.008 inches

Recess Angle:

100.0 degrees

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Finishing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
