**Hole Diameter:**

0.500 inches

**Shoulder Diameter:**

1.000 inches

**Outside Diameter:**

1.500 inches

**Shoulder Height:**

0.110 inches

**Material Thickness:**

0.062 inches

**Product Name:**

Navy special project

**Material:**

Steel comp 303 or steel comp 303se

**Material Specification:**

Astm a582 assn standard all material responses

**Surface Treatment:**

Passivate

**Style Designator:**

Shouldered

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
