Hole Diameter:

0.500 inches

Shoulder Diameter:

1.000 inches

Outside Diameter:

1.500 inches

Shoulder Height:

0.110 inches

Material Thickness:

0.062 inches

Product Name:

Navy special project

Material:

Steel comp 303 or steel comp 303se

Material Specification:

Astm a582 assn standard all material responses

Surface Treatment:

Passivate

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
