Hole Diameter:

4.414 inches

Overall Distance Including Keys:

4.500 inches

External Key Quantity:

18

Internal Key Quantity:

5

Material:

Steel

Material Specification:

Ams5040 assn standard single material response or ams5042 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
