Hole Diameter:

0.810 inches

Outside Diameter:

1.180 inches

Overall Height:

0.040 inches

Material Thickness:

0.018 inches

Heat Treatment:

As fabricated

Material:

Steel comp x

Surface Treatment Specification:

Mil-n-7786 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-n-7786 spec.
