Hole Diameter:

Between 0.378 inches and 0.380 inches

Outside Diameter:

1.120 inches

Overall Height:

Between 0.474 inches and 0.494 inches

Material Thickness:

Between 0.073 inches and 0.093 inches

Features Provided:

Casehardened

Hardness Rating:

90.0 rockwell superficial 15-n

Material:

Steel comp 1008 or steel comp 1010 or steel comp 1012 or steel comp 1015 or steel comp 1016 or steel comp 1017 or steel comp 1018 or steel comp 1019 or steel comp 1020 or steel comp 1021 or steel comp 1022

Material Specification:

66 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
