Hole Diameter:

Between 0.440 inches and 0.450 inches

Outside Diameter:

Between 0.565 inches and 0.575 inches

Overall Height:

0.027 inches

Material Thickness:

0.006 inches

Material:

Nickel

Material Specification:

Ams 5596 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
