Hole Diameter:

Between 0.915 inches and 0.925 inches

Outside Diameter:

Between 1.085 inches and 1.095 inches

Overall Height:

0.060 inches

Material Thickness:

0.015 inches

Hardness Rating:

48.0 rockwell c

Material:

Steel comp 631

Material Specification:

Ams 5529 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
