Hole Diameter:

Between 0.135 inches and 0.145 inches

Shoulder Diameter:

0.182 inches

Outside Diameter:

0.320 inches

Shoulder Height:

Between 0.020 inches and 0.030 inches

Material Thickness:

Between 0.059 inches and 0.079 inches

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
