Hole Diameter:

Between 1.870 inches and 1.880 inches

Outside Diameter:

Between 2.120 inches and 2.140 inches

Overall Height:

0.200 inches

Material Thickness:

0.032 inches

Hardness Rating:

48.0 rockwell c

Material:

Steel comp 630

Material Specification:

Ams 5529 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
