**Hole Diameter:**

1.658 inches

**Outside Diameter:**

2.132 inches

**Overall Height:**

0.148 inches

**Material Thickness:**

0.023 inches

**End Application:**

M1 tank family

**Special Features:**

33.0/43.0 lbs load at deflected height of 0.073 in.

**Material:**

Steel comp 1075 or steel comp 1095

**Material Specification:**

Astm a684 assn standard all material responses

**Style Designator:**

Spring tension

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
