Spring Tension Washer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5310-01-074-6881

Hole Diameter:
0.781 inches
Outside Diameter:
1.190 inches
Material Thickness:
0.141 inches
Material:
Steel and rubber synthetic
Surface Treatment:
Zinc
Style Designator:
Spring tension
Specification Data:
00736-22863 manufacturers specification control
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A022b0
