Hole Diameter:

1.990 inches

Outside Diameter:

2.370 inches

Overall Height:

0.178 inches

Material Thickness:

0.024 inches

End Application:

M1 tank family

Special Features:

4 waves; 0.093 work height 40 lb load at working height; used on xm1

Material:

Steel

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
