Hole Diameter:

1.510 inches

Outside Diameter:

1.890 inches

Material Thickness:

0.060 inches

End Application:

2320-01-097-0260 hemtt (heavy expanded mobility tactical truck) and 2320-01-304-2277 pls (palletized loading system)

Material:

Steel

Surface Treatment:

Nickel

Style Designator:

Split helical-right hand

Specification Data:

45152-ee-101252 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
