Hole Diameter:

Between 0.198 inches and 0.207 inches

Outside Diameter:

0.406 inches

Overall Height:

0.092 inches

Recess Diameter:

0.355 inches

Recess Depth:

0.060 inches

Material:

Aluminum alloy 2011

Material Specification:

Qq-a-225/3 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-a-8625 spec.
