Hole Diameter:

Between 0.128 inches and 0.132 inches

Thickness:

Between 0.017 inches and 0.023 inches

Overall Diameter:

Between 0.350 inches and 0.370 inches

Material:

Steel

Material Specification:

Ams5510 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
