**Hole Diameter:**

0.348 inches

**Outside Diameter:**

0.750 inches

**Overall Height:**

0.094 inches

**Material Thickness:**

0.008 inches

**Material:**

Copper alloy

**Material Specification:**

Qq-b-750 comp a federal specification single material response

**Surface Treatment:**

Nickel

**Surface Treatment Specification:**

Qq-n-290 cl1 ty v federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A022b0
