Hole Diameter:

1.690 inches

Outside Diameter:

1.850 inches

Overall Height:

0.200 inches

Material Thickness:

0.020 inches

Material:

Copper alloy 170 or copper alloy 172

Material Specification:

Qq-c-533 federal specification all material responses

Surface Treatment:

Cadmium

Surface Treatment Specification:

Cda000, p.S.13101, fscm 78366 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
