Hole Diameter:

1.193 inches

Outside Diameter:

1.555 inches

Special Features:

Two lugs eq. Spaced on o.D.

Material:

Steel comp 304

Surface Treatment:

Silver

Surface Treatment Specification:

Qq-s-365a grade 8 .0005-.0010 thick over nickel undercoat federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
