Cross Sectional Shape:

Rectangular

Edge Shape:

Round

Material:

Steel comp 302

Material Specification:

Qq-s-766, cond h federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-f-14072, e-300 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-f-14072 spec.
