Hole Diameter:

Between 1.990 inches and 2.010 inches

Outside Diameter:

Between 3.240 inches and 3.260 inches

Overall Height:

0.422 inches

Material Thickness:

0.060 inches

Material:

Steel comp 1010 or steel comp 1011 or steel comp 1012 or steel comp 1013 or steel comp 1015 or steel comp 1016 or steel comp 1017
or steel comp 1018 or steel comp 1019 or steel comp 1020

Material Specification:

66 federal standard all material responses

Style Designator:

Spring tension

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
