Hole Diameter:

0.565 inches

Outside Diameter:

0.687 inches

Overall Height:

0.062 inches

Material Thickness:

0.010 inches

Product Name:

Navy special project

Material:

Copper alloy 170 and copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
