Hole Diameter:

0.380 inches

Outside Diameter:

0.738 inches

Overall Height:

Between 0.075 inches and 0.100 inches

Material Thickness:

Between 0.009 inches and 0.011 inches

Material:

Stainless steel

Material Specification:

Ams 5528 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
