Hole Diameter:

2.000 inches

Outside Diameter:

3.750 inches

Recess Diameter:

0.188 inches

Material Thickness:

0.375 inches

Recess Angle:

90.0 degrees

Special Features:

Width across flats 2.750 in.

Material:

Steel comp 1015 or steel comp 1016 or steel comp 1017 or steel comp 1018 or steel comp 1019 or steel comp 1020 or steel comp 1021 or steel comp 1022 or steel comp 1023 or steel comp 1025

Material Specification:

66 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
