Hole Diameter:

2.040 inches

Outside Diameter:

2.390 inches

Shoulder Height:

0.490 inches

Material Thickness:

0.230 inches

Material:

Stainless steel

Material Specification:

Ams5629 assn standard single material response

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
