Criticality Code Justification:

Zzzy

Special Features:

Inside diameter is 1.406in. And diameter is 2.000in. Washer has 8 slots, 45 degrees apart 0.062in. Wide and 0.125in. Deep, made from .020-.025in. Thick material

Material:

Stainless steel

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
