**Criticality Code Justification:**

Zzzy

**Special Features:**

Inside diameter is 1.406in. And diameter is 2.000in. Washer has 8 slots, 45 degrees apart 0.062in. Wide and 0.125in. Deep, made from .020-.025in. Thick material

**Material:**

Stainless steel

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A022b0
